Special Religious Education and Special Education in Ethics Participation Letter

A feature of the public education system in NSW is the opportunity to provide time in class for education in ethics, faith and morality from a religious or non-religious perspective at the choice of parents.

The school website <https://menai-h.schools.nsw.gov.au/learning-at-our-school/religion-and-ethics.html> provides information on these options to support parent/caregiver choice.

A parent/caregiver may at any time notify the school in writing that they wish to change their decision. Students will continue the same arrangement as the previous year, unless a parent/caregiver has requested a change in writing.

For more information about Special Religious Education (SRE) and Special Education in Ethics (SEE), including the list of approved providers, please visit: <https://education.nsw.gov.au/teaching-and-learning/curriculum/learning-across-the-curriculum/religion-and-ethics>

If your preferred SRE or SEE option is not available, please contact the approved provider.
