Dear Parents/Caregivers,

Students will have their Minimum Standards Tests results made available to them via Students Online later today.

Students will receive a Band 1, 2, 3 or 4 in each of the Numeracy, Writing and Reading Modules. A Band 3 or Band 4 result means that the student has met the minimum standard, whereas a Band 1 or Band 2 means they have failed to meet the minimum standard in that module.

If a student does not meet the minimum standard in a section it is not an immediate cause for concern. These students will be given another opportunity later this year to re-sit the module, and will be offered learning support in the lead up to this test.

If a student has received a Band 3 or 4 then they will not need to do anything; they have met the minimum standard.

For the students who missed sitting the tests, they will sit the tests at an appropriate time in the coming weeks.

If you have any questions or queries please do not hesitate to contact the school.

Kind Regards,

Mr L Meagher
