27th February, 2019

Dear Parents/Caregivers of Year 12,

We can't believe that this year is your child's final year of schooling. While we know this will be an intense year of study, we also hope it will be a time to recognize the achievements and celebrate the relationships built over the last five years.

This note is just to inform you of important dates for the year and any costs involved. More information and reminders will be sent out during the year.

Year 12 have had a smooth start to the year and were exceptional role models to the younger students with their organization and participation in the Valentine's Day fundraiser that was held on February 15th. Special thanks to the fundraising committee and Miss Perkins and Mr Riorden who helped out. The swimming carnival was also supported by Year 12 with great creativity and enthusiasm.

Students will receive an interim report during Term 1 as well as a ½ yearly and yearly report this year.

The cost for the formal, including photographer, is \$120 and you are welcome to make payments throughout the year. A deposit of \$50 is due by April 1st. Full payment required by 31st July.

A committee has also begun work on our yearbook and is available to all for a cost of \$25. This also needs to be paid by July 31st so we can confirm the order number.

Students have also been informed several times that on Graduation day the boys need to be in long pants and the girls need their red tie. Please have this organized early so there isn't panic the day before the ceremony.

Students have been regularly reminded that they are to be in full school uniform everyday. The year 12 jacket is a privilege and they have been told if they are not in uniform and regularly break school rules that this privilege will be revoked.

As always, please contact us if you have questions or important information to communicate to the school. We look forward to an enjoyable 2019.

Yours faithfully,

K L A ROSAN HENNESSY
