## YEAR 7 CALCULATORS AND GEOMETRY EQUIPMENT

Dear Year 7 parents/carers,

As you would have noted on the Book and Equipment Requirements list issued last year, all Year 7 students are required to have a CASIO fx-82 AU PLUS II calculator and some geometry equipment.

I am conducting a survey to determine numbers required so that I can place an order.

The price of the calculators varies at the time of purchase but I anticipate the calculator to cost approximately \$30.

We have decided to purchase an all-in-one set square/protractor and short ruler. This will cost approximately \$5.

If you wish to purchase the calculator and/or geometry aid, could you please complete the slip below and ask your son/daughter to return it to their mathematics teacher by Friday 12<sup>th</sup> February.

Some of you already have the necessary equipment and do not need to complete the return slip.

Regards

Nicola Vickery

Head Teacher Mathematics
