## Sentral Student and Parent Portal

Menai High School uses a streamlined online daily administrative system which integrates student timetables, student wellbeing, attendance, reports and homework functions. It is called Sentral and is easily accessible by all Menai High School families.

Students will be notified of their homework and assessment tasks via the Sentral Student Portal. All students are able to access the Sentral Student Portal by going to <https://menai-h.sentral.com.au/portal/login> and using their DET email log in details as their username and password.

The Sentral **Parent** Portal allows parents access to all the same features as the student portal plus a private messaging function with your child's teachers.

We encourage parents/caregivers to activate their Parent Portal by **registering** for Sentral using the information in the letter sent home with Year 7 students in their Skilled Learning lessons in early Term 1.

If families have older students in the school and have already registered with Sentral, there is no need to register again. The Year 7 student will automatically appear on the existing parent portal.

For any other queries relating to the parent portal, please contact the IT support staff, Ms Masi or Mrs Cooper on 9543 7000.

Ms A Masi (Relieving Head Teacher Administration)

Mr J Stanley (Principal)
