Assessment Policy and Procedures

Record Of School Achievement (ROSA) ASSESSMENT TIMELINE

- ROSA Term 1 to end Term 4

ASSESSMENT

WHY IS ASSESSMENT NECESSARY?

- The Assessment allows due weight to be given during the course to student achievement.
- Course assessment schedule is used to
 - allocate grades for Year 10
 - complete school academic reports.

WHAT ARE ASSESSMENT TASKS?

- These are the types of tasks used to assess students

formal examinations

class tests

practical work

performance

assignments

essays

oral presentations – etc

WHAT ARE PERFORMANCE DESCRIPTORS?

- Performance descriptors are a series of statements which summarise the observable and measurable features of student achievement and assist in the awarding of grades to students based on levels of achievement.
- Teachers will use performance descriptors to allocate ROSA grades.

**WHAT ARE THE REQUIREMENTS TO
BE ELIGIBLE FOR THE AWARD OF A
ROSA ?**

WHAT ARE THE REQUIREMENTS TO BE ELIGIBLE FOR THE AWARD OF A ROSA OR HIGHER SCHOOL CERTIFICATE?

1. Attend school for the required period of time (more than 85% of the available school days) and each course.
2. Study the pattern of courses required by NESAs for the required time/hours. English, Mathematics, History, Geography, PDHPE and elective courses.
3. Have a satisfactory record of application in their studies;
4. Complete the requirements for a sufficient number of courses, including practical, oral or project works;
5. Complete assessment requirements for a sufficient number of courses;
6. ***Sport is a Department of Education requirement for completion of Year 10.***

If the requirements for any of the core courses have not been met a student could be ineligible for the ROSA.

Example: a student has been N Determined in PDHPE. The student will not be eligible for their ROSA.

STUDENT RESPONSIBILITIES TO COMPLETE THE ROSA .

- Work diligently and consistently concerning all course work.
- Students must make a [serious attempt](#) at every course assessment task. If students do not this can result in a mark of zero being awarded for that task.
- Each student must complete the task by the [time indicated on the task](#). If students do not this will result in a mark of zero being awarded for that task.

STUDENT RESPONSIBILITIES TO COMPLETE THE ROSA.

- All work presented for assessment must be the student's own work.
- If this is found out not to be the case, then a mark of zero will be awarded for that task.

SCHOOL RESPONSIBILITIES

1. At least two weeks' notice will be given for any task or any change of date for a task and it is the student's responsibility to report unduly onerous task loads immediately they occur.
2. An indication of when each of the assessment tasks will take place.
3. The mark value of each task in relation to the total number of marks for the course.
4. Each faculty will issue you with an Assessment policy for each of its courses you take.
5. The components and their weightings as specified.
6. The nature of each assessment task (eg. assignment)
7. Use the Performance Descriptors statements to assist in the awarding of grades to students based on levels of achievement.

DISABILITY PROVISIONS / ILLNESS OR MISADVENTURE

- There are [disability provisions](#) for students with disabilities.
- These need to be applied for with the NSW Education Standards Authority (NESA) .
- Discuss with your Year Advisors, Head Teacher Administration - Mrs Ferraro or your Deputy Principal Mrs Sayed-Rich (Ms Ferraro relieving) .

DISABILITY PROVISIONS / ILLNESS OR MISADVENTURE

- **Illness or misadventure.**

These matters can be discussed with the Head Teacher of the subject and/or your Deputy Principal . Application forms are to be collected from the front office.

ASSESSMENT TASKS NOT SUBMITTED

- **DO I HAVE TO DO THE ASSESSMENT TASKS?**

Yes.

Students who fail to complete **50%** of the available marks will be regarded as not having satisfactorily completed the course of study. In cases of **NON-SATISFACTORY** completion, a "N" (non completion of the course will be submitted to the NESAs).

Technology issues **will not** be an acceptable excuse. Students will need to ensure the work/task is saved in more than one place.

Student may need to enrol in Year 10 course again next year.

DO I ONLY HAVE TO COMPLETE ASSESSMENT TASKS?

No

- You are expected to complete coursework for all subjects.
- Students who do not complete course work may be issued with an “N” determination (i.e non-completion) in that subject.

WHAT HAPPENS IF I AM ABSENT THROUGH ILLNESS OR INJURY?

- Inform the Head Teacher of that subject on the due date of the task. On the first day of return to school the student is to;
 - Complete an illness / misadventure form and return it to the Head Teacher/Deputy Principal with appropriate documentation as evidence signed by parents
 - Be prepared to do the exam or assessment task or hand in the task on the first day of return to school.

DURING EXAMINATIONS/ FORMAL EXAMS

- It is not an automatic response that the exam will be rescheduled. This will be at the discretion of the Principal or Principal's representative.
- The missed exams can only be re scheduled during the exam period and the first day of return back to normal lessons.
- Failure to comply with the requirements in the section above will result in a mark of zero for that task and the issuing of an `N' warning letter.

ATTENDANCE ON ASSESSMENT DAYS.

- On the day of Assessable tasks, students MUST attend all timetabled lessons, otherwise they will be considered absent and require a medical certificate - no student should gain an unfair advantage over other students.

MALPRACTICE IN ASSESSMENT TASKS

- All work presented in Assessment Tasks must be your own work.
- ***All Year 11 students must complete an 'All My Own Work' course to be eligible for the HSC.***
- This course will be completed at the end of Year 10 2022 ready for the start of Year 11 2023.

NON COMPLETION OR N DETERMINATION

If a student has not followed the requirements for a ROSA teachers will;

1. Send a “N” Warning letter explaining the requirements that have not been met by the student.
2. The letter will indicate the action the student must follow to redeem the “N” Warning and the due date of the action/ completion of the task. The student will still be awarded zero for the task. But the teacher needs to see the abilities of the student

What is the minimum number of N waring letters in a subject are needed before the student can be N Determined.

1. Two N warning letters is the minimum number of letters needed to be sent to the parents.

What action/s does the student need to do to redeem?

1. Complete the task or resubmit the task by the new date indicated on the letter.

NOT ELIGIBLE FOR A ROSA OR HSC

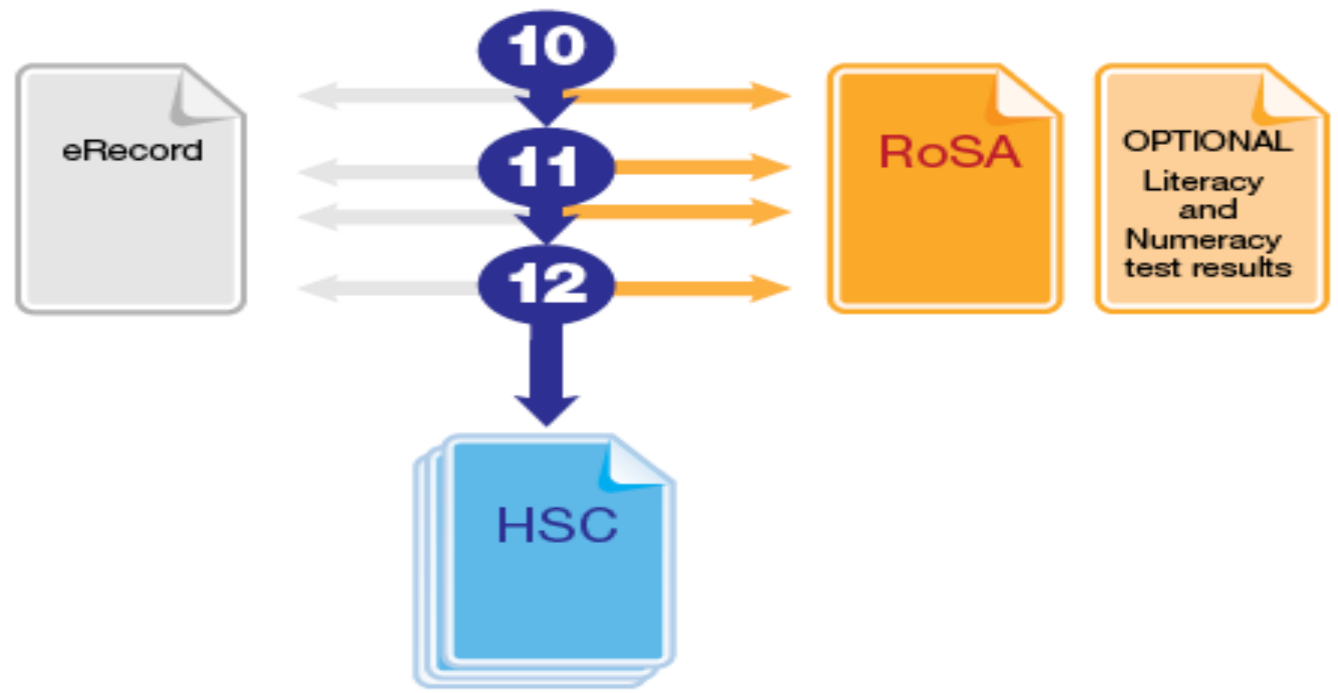

- Students who are not eligible for the ROSA but leave school will receive a Transcript of Study. TOSA
- Year 12 students who are not eligible for a HSC will receive their ROSA with the Year 10 grades and Year 11 grades.

MINIMUM STANDARDS IN LITERACY AND NUMERACY

- Each student needs to meet the requirements of the minimum standards tests. There will be numerous opportunities to complete these tests at school in Yr 10, 11 and 12.

Leaving without your HSC
